

6a. Video: A patient's Form Overview

The screenshot displays a patient's form overview in the SAKK DataCapture system. The interface is organized into a grid with rows representing different data points and columns representing visits. The visits are grouped into two main phases: Registration and Follow-up phase.

	Pre-registration	Eligibility	Randomization	Baseline	SG - Week 1	SG - Week 4	Start of radiotherapy	End of treatment	Recurrence 1	9 months	12 months	Next visit
Planned visits	05.04.19	21.10.19	21.10.19	22.10.19	28.10.19	18.11.19	07.01.20	31.01.20	29.05.20	11.07.20	09.10.20	
Eligibility - Pre-registration	✓											
Eligibility - Registration		✓										
Randomization			✓									
Medical History				✓								
Physical Examinations				✓	✓	✓	✓			✓	✓	
Quality of Life				✓		✓				✓	✓	
End of Treatment								✓				
Follow Up										✓	✓	
Recurrence									✓			

The interface also includes a navigation menu at the top with options like Adverse Events, Surgical procedures, Radiotherapy, Systemic treatment, Pathology, and PRF. The patient information at the top indicates the patient is in the CRC Training project, SAKK 23/16 (2.8_011), with a patient ID of UPH 2316_0059 and a randomization group of Arm A: ALND.
