WHO

The program is a unique opportunity for young cancer physicians who wish to advance their career in cancer medicine (medical oncology, hematology, radio-oncology, urology, gynecology, pathology, surgery or dermatology) and wish to be active in clinical cancer research.

WHAT

Get involved in order to gain:

- 1) knowledge in oncology
- 2) presentation skills
- 3) networking opportunities
- 4) writing skills
- 5) insights in trial development
- 6) a closer look in a Phase I Study Center
