SAKK Online secuTrial® Training Course for CRCs and CTNs

This basic training is aimed at clinical research coordinators or clinical trial nurses within the SAKK research network, entering data into SAKKs electronic data capture system secuTrial® for SAKK clinical trials.

Experienced CRCs and CTNs who would like to have a comprehensive secuTrial® refreshment are welcomed.

Costs: Free for members of the SAKK network
Language: English

We will provide you with the link to the **Zoom® conference** a few days prior to the course.

At the end of the training course, you will receive a training certificate.
