

# CALL FOR SUBMISSION

## SAKK / Pfizer Award

Every two years the Swiss Group for Clinical Cancer Research (SAKK) awards a prize for patient-oriented, practical clinical cancer research with financial support of Pfizer AG (Switzerland). The prize is worth CHF 20 000.

**Application deadline: September 30, 2023**

# Scientific review paper

Individuals up to 50 years of age who work in clinical cancer research in Switzerland are eligible to apply. Applicants are asked to submit their research work in the form of a scientific paper that has been submitted to or already published in a peer-reviewed journal within the past year. The paper may not be more than a year old at the time of submission deadline and it must include specific proposals for improving the treatment and the therapeutic results that are achievable in cancer patients.

For the full requirements and more information on the eligibility of the projects, please read the «Rules & Regulations» on the SAKK Website ([www.sakk.ch](http://www.sakk.ch)). We look forward to receiving your patient-focused project soon.
